

Job brief

We are looking for a fun and energetic qualified teacher to prepare young children for preschool by easing them into organized education. Our Christian center focuses on the whole child, body, mind and soul. You must have a great love and patience for children. Qualifications needed to teach them effectively include knowledge of best practices and preschool educational methods as well as the ability to engage them and earn their trust and attention.

Responsibilities

- Develop an age appropriate and creative program suitable for two and three year old children
- Employ a variety of educational techniques (storytelling, educational play, media etc.)
- Observe each child to help them improve their social competencies and build self-esteem
- Encourage children to interact with each other and resolve conflicts
- Guide children to develop their artistic and practical capabilities (identify shapes, numbers, colors, do crafts, etc.)
- Supervise nap and snack times and engage with children to ensure they are safe at all times
- Track children's progress and report to parents
- Communicate with parents regularly
- Maintain a clean and tidy classroom consistent with health and safety standards

Requirements and skills

- Proven experience as a Child Care Teacher
- Excellent understanding of the principles of child development and preschool educational methods
- Patient and compassionate to young children's needs and emotions
- Familiarity with safety and sanitation guidelines for classrooms
- Excellent communication and instructional skills
- Ability to act as mediator between children
- Cool-tempered, friendly and reliable
- Certification in child CPR
- Must meet or attain all State licensure requirements (18+ years old, background check, trainings and experience)
